A CRITICAL DEVELOPMENT OF INTERNATIONAL & COMPARATIVE LIBRARIESHIP THEORY
Jimena Sagás, MLS
Colorado State University

Let's build theory together to empower library relationships across the world!

Conceptualize

Operationalize

Apply

Confirm

Calibre
A need for more attempts to systemize or develop a conceptual framework for international librarianship.

Internal
The environment in which we live, observe and experience the world.

External

Environment

Apply

Confirm

Calibre

A need for more attempts to systemize or develop a conceptual framework for international librarianship.
