How Can Trade Unions Support Library Employees?

It’s time to ask:

• What is a working day like at the library?
• Who do you meet, and how do they behave?
• To what degree does the environment influence the working conditions?
• How can library employees support each other in difficult situations at work?

What can trade unions do to support the library employees?

• Trade unions can fight for decent working conditions
• Trade unions can contribute to knowledge about working conditions in libraries
