*Staying the Course***

Now you have knowledge, tools and a future strategy with the child's best interest at heart.

8 You have implemented the UNCRC

7 You ensure quality and sustainability

Find your own way in ensuring that the UNCRC is incorporated as a vital part of your organization.

Build knowledge together with your co-workers. Your entire organization requires knowledge about the UNCRC.

6 You ensure continuing professional training for all employees

The action plan describes the different activities that will advance your organization towards its goals.

5 You write an action plan for the implementation

Don't forget to get the child's point of view when conducting the assessment.

4 You learn how you can make an assessment of the best interests of the child

54 articles of the UNCRC should guide all activities in the library.

3 You learn about the articles of the UNCRC

You obtain knowledge of the target group and the current state of the work with the rights of the child.

2 You ensure that a survey of the current status of your organization and municipality is conducted

The UNCRC is about promoting the human rights for every person under the age of 18.

1 You know that the UN Convention on the Rights of the Child exists
